

New Zealand Canoe Polo Association - Coaching Philosophy

Coaches are:

- ❖ Motivated by their love of the sport
- ❖ Passionate about developing people:
 - As people
 - As players
- ❖ Seek to understand what motivates and inspires players
- ❖ Willing to continuously improve their own coaching capability through developing their craft
- ❖ Aware of the skill and experience of their team and apply appropriate coaching strategies
- ❖ Believe in the ability of their players and will develop them to their full potential
- ❖ Have a clear vision of what they want to achieve and are able to apply perspective
- ❖ They inspire not only with their words; but with their actions, consistency, passion and professionalism
